**MOTION FOR A RESOLUTION OF THE ASSEMBLY URGING THE EAC SUMMIT TO STUDY THE SECURITY IMPACT OF GENOCIDE IDEOLOGY AND DENIAL IN THE REGION AND TO TAKE APPROPRIATE ACTION**

Aware that under the Article named above the Partner States have, inter Alia, undertaken to cooperate in reviewing the region's security particularly on the threat of terrorism and formulate security measures to combat terrorism;

Concerned that some of the groups sowing terror in the region are driven by sectarian and genocidal ideologies and Denial,.

Further concerned that despite regional efforts to neutralize such groups, as well as the adoption of by the United Nations Organization of the Principle of the Responsibility to protect populations in danger from such groups, they continue to pose a threat to the peace and security of the people of East Africa;

Recalling the Resolutions of the Assembly on similar matters in Kampala, 2009 and in Kigali, 2013;

Noting that it is agreed that genocide denial is part and parcel of the modus operandi of those who commit genocide (**Genocide Denial** is an attempt to deny or minimize the scale and severity of an incidence of Genocide);

Determined to ensure that this heinous crime against humanity shall not recur in the Region;

Considering that Under Article 11 of the Treaty for the Establishment of the East African Community the Summit reviews the state of peace, security and good

governance within the Community and the progress towards the establishment of a Political Federation of the Partner States;

Considering that the 14th Ordinary Summit of the East African Community Heads of State approved a Protocol on peace and security of the EAC Partner States;

Aware that Partner States have signed protocols that include the fight against genocide under the auspices of the International Conference on the Great Lakes Region;

NOW THEREFORE, this Assembly do resolve:

1. To request the Summit of Heads of State to give general directions and impetus to measures designed to fight genocide, its ideology, and genocide denial in East Africa;

5. Urge EAC partner States to develop policies and legal instruments to fight and to punish Genocide Ideology and Denial;
6. To Establish under Rule 80 of the Rules of Procedure of the House a Select Committee to study and make recommendations to the House on the likely

Security impact to the Community of the general strategy including general  
annual.
